### DETAILED ACTION

This office action is a response to the appeal brief filed 12/27/2006. This application is in condition for allowance except for the following formal matters:

#### *Claim Objections*

1. In Claim 1, the phrase "state-dependent description" is unclear as to what it is intended to encompass. State-dependent description needs to be defined in Claim 1.
2. Although the claims are interpreted in light of the specification, limitations from the specification are not read into the claims. See *In re Van Geuns*, 988 F.2d 1181, 26 USPQ2d 1057 (Fed. Cir. 1993).
3. In Claim 1, the plural recitation of "state-dependent descriptions" in "removing the state-dependent descriptions" is inconsistent with its singularly recited antecedence of "state-dependent description".
4. In Claim 3, the limitation "the state" in "associated to the state" is unclear whether it is referencing state-dependent description or state data, or is otherwise a lack antecedent basis issue.
5. Appropriate correction is required.

#### *Conclusion*

6. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.
7. A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
